

- That you are commenting on the STELA Reauthorization Act of 2014 (STELARX)
- Which satellite carrier provides your service (Dish Network, Direct TV, etc.)
- What county and state you live in;
- That Wyoming PBS is not included in your satellite TV service;
- That you believe it is wrong that your satellite service does not carry Wyoming PBS, which airs local Wyoming programs that you help pay for as a taxpayer and provides critical access to emergency broadcast signals within your state.
- That you believe that the "Dish into local" rule should change so that your satellite TV carrier includes Wyoming PBS for all Wyoming viewers.
